The Southern Mission Society.

SMS's goal is to see the church equipped to flourish and make a significant difference in building the Kingdom of God on this continent. This we believe will affect a moral order for Southern African societies, that will help shape the direction of the educational and health systems, engage constructively with the economic, political and social life on the basis of a well articulated Christian worldview .

Membership is offered to all Individuals (and churches) that subscribe to the principles laid down in the ["GAFCON" Declaration](#).

Trinity Church Franschoek is a founder member of SMS and meets at l'Ermitage Chapel
